STATEMENT TO MEMBERS

12 MONTHS ENDED 31 DECEMBER 2022

PROFESSIONAL CRICKETERS' ASSOCIATION

STATEMENT TO MEMBERS FOR THE YEAR ENDED 31 DECEMBER 2022

PLAYERS' COMMITTEE RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Trade Union rules require the Players' Committee to prepare Financial Statements for each financial year which give a true and fair view of the state of affairs of the Association and of the surplus or deficit of the Association for that period. In preparing those Financial Statements the Players' Committee is required to:

- 1 Select suitable accounting policies and apply them consistently;
- 2 Make judgements and estimates that are reasonable and prudent;
- 3 Prepare Financial Statements on the going concern basis unless it is inappropriate to presume that the Association will continue to operate.

The Players' Committee is also responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Association and to enable them to ensure that the Financial Statements comply with the Trade Union and Labour Relations (Consolidation) Act 1992. It is also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This statement has been approved by the PCA Management Board at its meeting on 28 February 2023 and received final approval by the Players' Committee at the Annual General Meeting of the Association on 28 February 2023.

STATEMENT TO MEMBERS

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE PROFESSIONAL

CRICKETERS' ASSOCIATION FOR THE YEAR ENDED 31 DECEMBER 2022

Opinion

In our opinion, the financial statements:

- give a true and fair view of the state of the Association's affairs as at 31 December 2022 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Trade Union and Labour Relations (Consolidation) Act 1992.

We have audited the financial statements of The Professional Cricketers' Association (the 'Association') for the year ended 31 December 2022 which comprise the Income Statement, the Statement of Financial Position and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Trade Union in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Players' Committee's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Association's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Players' Committee with respect to going concern are described in the relevant sections of this report.

Other information

The Players' Committee is responsible for the other information. The other information comprises the information included in the Statement to Members, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

STATEMENT TO MEMBERS

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE PROFESSIONAL

CRICKETERS' ASSOCIATION FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters to which the Trade Union and Labour Relations (Consolidation) Act 1992 requires us to report to you if, in our opinion:

- proper accounting records have not been kept in accordance with the requirements; or
- the Trade Union has not maintained a satisfactory system of controls over its transactions in accordance with the requirements; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of the Players' Committee

As explained more fully in the Statement of the Players' Committee Responsibilities, the Players' Committee is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Players' Committee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Players' Committee is responsible for assessing the Trade Union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Players' Committee either intend to liquidate the Union or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Extent to which the audit was capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

PROFESSIONAL CRICKETERS' ASSOCIATION

STATEMENT TO MEMBERS

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE PROFESSIONAL

CRICKETERS' ASSOCIATION FOR THE YEAR ENDED 31 DECEMBER 2022 (CONTINUED)

-
- ◆ the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations; and
 - ◆ we obtained an understanding of the legal and regulatory frameworks that are applicable to the Trade Union and determined that the most significant frameworks which are directly relevant to specific assertions in the financial statements are those that relate to the reporting framework FRS 102 and the Trade Union and Labour Relations (Consolidation) Act 1992, General Data Protection Regulations, and legislation relating to employment, health and safety and safeguarding.

We assessed the susceptibility of the Trade Union's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- ◆ making enquiries of management as to their knowledge of actual, suspected and alleged fraud; and
- ◆ considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- ◆ performed analytical procedures to identify any unusual or unexpected relationships;
- ◆ tested journal entries to identify unusual transactions; and
- ◆ assessed whether judgements and assumptions made in determining the accounting estimates were indicative of potential bias.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- ◆ reading the minutes of meetings of those charged with governance; and
- ◆ enquiring of management as to actual and potential litigation and claims.

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the trustees and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities for the audit of the accounts is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

The Financial Statements were approved by the Players' Committee on 28 February 2023. The Players' Committee has taken advantage of special exemptions conferred by FRS 102 Section 1A applicable to small companies in the preparation of the financial statements and have done so on the grounds that, in their opinion, the Association qualifies as a small reporting entity.

PROFESSIONAL CRICKETERS' ASSOCIATION

STATEMENT TO MEMBERS FOR THE YEAR ENDED 31 DECEMBER 2022

NOTES TO THE ACCOUNTS

1 ACCOUNTING POLICIES

The Financial Statements have been prepared in accordance with applicable UK accounting standards and the following accounting policies:

a **Basis of Accounting**

The financial statements have been prepared in accordance with applicable United Kingdom accounting standards, including Financial Reporting Standard 102 – ‘The Financial Reporting Standard applicable in the United Kingdom And Republic of Ireland’ (FRS 102 Section 1A). The financial statements have been prepared under the historical cost basis except for the modification to a fair value basis for certain financial instruments as specified in the accounting policies below. The Trade Union has not prepared consolidated accounts on the grounds that, taken together with its subsidiary, it would have qualified as a small group under part 15 of the Companies Act. These financial statements therefore present information about the Trade Union as an individual undertaking and not about its group.

b **Investments**

Quoted investments are measured at fair value based on published data at the Balance Sheet date. Changes in fair value are recognised in the Income Statement.

The investment in PCA Management Limited is accounted for at cost less impairment in these financial statements.

c **Financial instruments**

The Association only holds basic financial instruments as defined in FRS 102. The financial assets and financial liabilities of the Association and their measurement basis are as follows:

Financial assets – trade and other debtors are basic financial instruments and are debt instruments measured at amortised cost. Prepayments are not financial instruments. Amounts due to the Association’s wholly owned subsidiary are held at face value less any impairment.

Cash at bank – is classified as a basic financial instrument and is measured at face value.

Financial liabilities – trade creditors, accruals and other creditors are financial instruments, and are measured at amortised cost. Taxation and social security are not included in the financial instruments disclosure definition. Deferred income is not deemed to be a financial liability, as the cash settlement has already taken place and there is an obligation to deliver services rather than cash or another financial instrument. Amounts due to Association’s wholly owned subsidiary are held at face value less any impairment.

STATEMENT TO MEMBERS FOR THE YEAR ENDED 31 DECEMBER 2022

NOTES TO THE ACCOUNTS

1 ACCOUNTING POLICIES (cont.)

d **Debtors**

Debtors are recognised at their settlement amount, less any provision for non-recoverability. Prepayments are valued at the amount prepaid. They have been discounted to the present value of the future cash receipt where such discounting is material.

e **Cash at bank and in hand**

Cash at bank and in hand represents such accounts and instruments that are available on demand or have a maturity of less than three months from the date of acquisition.

f **Creditors and provisions**

Creditors and provisions are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Creditors and provisions are recognised at the amount the Association anticipates it will pay to settle the debt.

g **General Fund**

The Association operates a general fund which reflects the annual surplus for the year.

h **Insurance Fund and Reserve Fund**

The Association maintains an insurance fund for the purpose of meeting members' claims under limits specified in certain insurance policies taken out by the Association. Any surplus, above any claims settled, remaining at the completion of the annual insurance cover period is transferred to the reserve fund up to a maximum of one year's aggregate deductible under the terms specified in certain insurance policies.

i **Market Value Reserve**

The market value reserve represents accumulated recognised but unrealised gains in quoted investments less deferred tax thereon.

j **Corporation Taxation**

The Association is liable to Corporation Tax on its investment income and realised gains on investments.

k **Deferred Tax**

Deferred tax is provided on all material reversing timing differences which arise from transactions reflected through the Income Statement.

l **FRS102 Reduced Disclosure**

The Association has not produced a Statement of Cash Flows as permitted by FRS102 Section 1A.

NOTES TO THE ACCOUNTS

1 ACCOUNTING POLICIES (cont.)

m Critical Accounting Assumptions and Judgements

The preparation of financial statements requires management to make judgements, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Estimates and judgements are continuously evaluated and are based on historical experience and other factors including expectations of future events that are believed to be reasonable. Revision to accounting estimates are recognised in the period in which the estimates are revised and any future period affected.

The significant judgements and estimates used are:

- ◆ To provide for the full insurance deductible of £90,000 on the policy year;
- ◆ To provide for the proportion of the Winter Insurance policy that may not be covered by contributions from the clubs;
- ◆ The allocation of staff and other costs between the PCA and PCA Management Limited; and
- ◆ Estimating future income and expenditure for the purpose of the going concern assessment.

2 POLITICAL FUND

The Association does not make political contributions.

3 OFFICER REMUNERATION

With effect from 1 April 2006 staff costs have formed an integral part of a service delivery charge from PCA Management Limited to the Professional Cricketers' Association. Total remuneration paid by PCA Management Limited, relating to members of the Players' Committee in the year to 31 December 2022, was as follows:

	R Lynch Chief Executive
Gross Salary	£152,104
Social Security Costs	£20,746
Pension Contribution	£20,323
Healthcare	£5,161

The Chief Executive's salary and benefits, as stated above, are associated with all aspects of the PCA Group and not just the trade union, with 50% (2021: 35%) of the stated costs forming part of the service delivery charge to the Professional Cricketers' Association.

4 FUTURES FUND	2022	2021
Funding received relating to the Former First Class County Cricketers' Trust	£789,367	£884,313

In the year to 31st December 2022 the Association received £789,367 which was the second year's funding of the PCA Futures Fund. After deduction of a contribution towards the Association's costs related to administration, £749,367 was paid to the Former First Class County Cricketer's Trust in 2022.

In April 2010, the Association entered into a stop loss arrangement for its personal accident insurance policy for its members. This is an annual agreement and the Association has set aside £90,000 in relation to the balance aggregate deductible under this policy which, with the Reserve Fund (which represents the unused deductible of the prior year) is included in cash at bank and quoted investments in the Balance Sheet as at 31 December 2022.

The market value reserve represents recognised but unrealised gains and (losses) in quoted investments less deferred tax thereon. Market movements subsequent to the year-end have eliminated the loss.

PROFESSIONAL CRICKETERS' ASSOCIATION

STATEMENT TO MEMBERS FOR THE YEAR ENDED 31 DECEMBER 2022

A member who is concerned that some irregularity may be occurring, or has occurred, in the conduct of the financial affairs of the PCA may take steps with a view to investigating further, obtaining clarification and, if necessary, securing regularisation of that conduct.

The member may raise any such concern with one or more of the following as it seems appropriate to raise it with the Chairman of the Association; the Chief Executive, the Chair of the PCA Management Board, the Auditor or Auditors of the Association, the Certification Officer (who is an independent Officer appointed by the Secretary of State) and the Police.

Where a member believes that the financial affairs of the PCA have been or are being conducted in breach of the law or in breach of rules of the Union and contemplates bringing civil proceedings against the Association or Responsible Officials or Trustees, he should consider obtaining independent legal advice.
