FAQS

WELCOME

PCA Legends events are a true celebration of cricket – the grassroots and elite games coming together to entertain, inspire and unite communities in a truly unique way.

For over 20 years, the PCA Legends have been travelling the length and breadth of the country each summer, visiting recreational clubs and delivering unforgettable showcase events. The players certainly know what it takes to put on a show for the crowds, and in doing so have proudly helped raise hundreds of thousands of pounds for the grassroots game.

The Professional Cricketers' Association manages the Legends programme, and is committed to making every event as successful as possible. We support clubs with a dedicated contact, regular meetings, event guidance and fundraising

support - every penny raised is the clubs' to keep and we want to help maximise this potential.

With multiple event formats and hosting options to choose from, there is something to suit all requirements. Every club that hosts the PCA Legends has its own reasons for doing so, whether it be to raise funds, mark a special anniversary or bring the local community together - whatever the driving force behind the event, it's sure to create a focal point in the calendar of an unforgettable summer.

ON THE DAY OPTIONS

The PCA Legends know what makes the game special at every level. From village greens and school playgrounds to packed clubhouses and big stages, our Legends bring energy, experience, and a real love of cricket wherever they go. With backgrounds spanning playing, coaching, mentoring, media, and digital storytelling, they're just as comfortable running a session, sharing stories, supporting an event, or engaging online. Whatever your setting, our Legends help create moments people remember.

The PCA Legends have helped raise vital funds towards club changing room renovations, the addition of an accessible toilet and installation of a new practice net for community use. This event has become a fantastic community occasion, bringing together charities, organisations, local businesses and residents to enjoy an exciting free T20 match right on their doorstep.

ON FIELD

Get your game face on and share the field with cricketing royalty! Whether you're taking on our squad in a traditional Legends match, teaming up with Legends in a friendly tournament, or handing the captain's armband to an icon for the day, their star power is guaranteed to boost the buzz. It's the perfect recipe for big smiles, great memories, and raising funds for the cause that matters to you.

A PCA Legends match or tournament is one of our most popular hosting options and is a fantastic way to bring your club together for a day of cricket, celebration and fundraising. You can take on the Legends in a T20 match or opt for a tournament format with Legends playing across multiple teams, adding star quality and friendly competition throughout the day. Match days will include an early junior coaching session with the Legends, while tournament days focus purely on playing and

participation. Off the field, the fundraising lunch is at the heart of the experience, with the Legends hosting tables, sharing stories in a lively Q&A and helping to raise vital funds through auction items, signed memorabilia and photo opportunities. Whatever the result on the field, there will be the opportunity for both sides to enjoy a drink or two together post-match to round-off a fun-filled day.

If you're looking for something a little more low-key, a PCA Legend can join your club to captain a side or even stand as an umpire. From on-field

leadership to keeping a watchful eye on proceedings, our Legends add personality and a real sense of occasion to every event.

Traditional match and tournament costs are below but speak to us about different packages for different numbers of players/teams.

We cannot speak highly enough of the PCA Legends, who created a truly unforgettable experience for our kids. Seeing children from local schools and surrounding villages throw themselves into a coaching session with the Legends was wonderful – their energy, enthusiasm, and pure joy made it a delight to watch and a day to remember.

COACHING

Who better to sprinkle some cricketing magic on your skills than the Legends themselves? With years of experience at the very top of the game, our PCA Legends bring learning to life in a way that's engaging, inclusive and fun. From action-packed group sessions to relaxed one-to-one masterclasses, they know how to connect with players of all ages and abilities.

Every session is tailored to your needs – whether that's developing skills, building confidence, strengthening team bonds or simply enjoying time on the pitch. Along the way, players will pick up practical tips, insider insight and a few great stories too. Whatever the goal, everyone leaves feeling inspired, more confident, and with something new to take back to their own game.

THE SQUAD

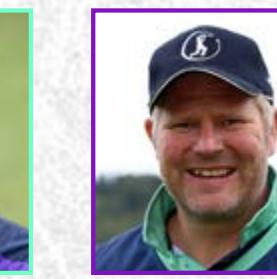

I still love the game of cricket and am extremely proud to captain this squad. We have a lot of fun reminiscing about 'the good old days' and like to put on a show to remind everyone we can still play!

Being involved with the programme is a great opportunity for the players to give something back to the game that has done so much for us. On behalf of the whole squad we hope to see you all soon, and play our part in what we hope will be a most memorable and successful day for your club.

FAQ'S

WHAT HAPPENS IF IT RAINS ON A MATCH OR TOURNAMENT DAY?

In the event of rain or adverse weather, every effort will be made to adapt the schedule to maximise play where possible. This may include delayed start times, revised match formats, or rescheduling within the event window. If play cannot proceed safely, we will work with you to ensure your guests remain entertained throughout the afternoon. This may include interactive games, Q&A sessions, or indoor coaching, where facilities allow.

IS THE SCHEDULE FIXED?

PCA Legends events follow a tried and tested schedule that has been developed to deliver a smooth and enjoyable experience for all involved. However, we recognise that each club is different and where required the schedule can remain flexible to accommodate your own plans or preferences. Any agreed adjustments will be discussed in advance to ensure the day runs seamlessly.

WHAT IF I NEED TO CANCEL MY EVENT?

If you need to cancel your event, please contact your PCA representative as soon as possible. In the first instance, we will explore solutions that allow the event to still go ahead, which may include rescheduling for the following year or a future date. Please note that deposits are non-refundable, and full cancellation terms are outlined in your contract. Our team will always aim to work with you to find the most suitable solution.

WHEN WILL MY MATCH DAY TEAM BE CONFIRMED?

We will endeavour to confirm at least three player names shortly after the contract has been signed and the deposit received. The remaining players will then be confirmed in the lead-up to the event, once availability has been finalised, allowing sufficient time for you to prepare and share details with your guests.

CAN I REQUEST SPECIFIC PLAYERS?

Yes, player requests are welcome and will be considered wherever possible. While we cannot guarantee the availability of specific players, we will do our utmost to accommodate preferences and create an unforgettable experience tailored to your event.
